**The Roosevelt Dinner.**

Concerning criticisms of President  
Roosevelt's dinner invitation to Prof.  
Booker T. Washington, two remarks  
naturally suggest themselves them-  
selves: First, considering that Negroes  
are found in every State in the Union  
the reason why the people of the South  
should regard the White House hospi-  
tality to Prof. Washington as an insult  
to themselves is not apparent. Second-  
ly, the President's right to invite any  
American citizen to dine with him con-  
not be questioned or abridged.—The  
New York Sun.

throat and Asthma for ten years. I de-

dreadful and tormenting disease. As-

**DR. TAFT BROS. MEDICINE CO.**  
Gentlemen: I write this testimonial from a sense of duty, having tested  
the wonderful effect of your Asthmalene, for the cure of Asthma. My wife has  
been afflicted with spasmodic asthma for the past 12 years. Having exhausted  
my own skill as well as many others, I chanced to see your sign upon your  
windows on 130th street, New York, I at once obtained a bottle of Asthmalene.  
My wife commenced taking it about the first of November. I very soon noticed  
a radical improvement. After using one bottle her Asthma has disappeared  
and she is entirely free from all symptoms. I feel that I can consistently  
recommend the medicine to all who are afflicted with this distressing disease.  
Yours respectfully,  
**O. D. PHELPS, M. D.**

for six years was unable to work. I am now in the best of health and am doing
